***Where Is The Church In America?***  
***August 9-11, 2007***

***Thursday, August 9, 2007.***

God is changing the garment of America with a new clothing and giving her a new voice and not all in the Church will understand the new move, not all in the Church will manifest the new glory and not all in the church will announce this new move; because in the midst of this new move the bride of God, the glorious church which will welcome the king, is being born!

So I will challenge you tonight to go back and re-build your altars, that altar of personal fellowship, you must reconnect yourself to the master, otherwise, you will loose out in this moment and the Holy Ghost will just pass you by. God is doing a new thing and only those that are in-touch with this present move will partake of this new move.

First, you must start to prophesy to your foundations to shift and agree with what the Holy Spirit is doing – this is the first deliverance that must happen in the church, is for the individual to be able to pray for himself and command his/her foundations to shift. The individual must shift their prayer focus from the nations, their church, their pastor, your fellow man to yourself – because except your foundations be corrected, you will have no grounds to stand on to prophesy and to speak to other peoples' destinies – hence the first prophecy is to yourself!

Pastor Kure led the congregation in a prayer: *Holy Father, in the name of Jesus, I ask that my foundations shift tonight, I ask that the Spirit of the bride fall on me now, the fire of Pentecost be restored in my life and let my foundations shift. I receive that fire now, I receive that shift now and I give you glory God for the kindling fire, In Jesus' Name!*

Our text for this evening shall be from Job 38 – this is necessary for a quick review for those familiar with this ministry. But before then, let's look at Exodus 21:1-2.

Amidst the problems with my eyes, I remembered that this is the Sabbath year and God gave me a revelation and because of this revelation, a lot of people have seen healing this year, impossible diseases have disappeared and God has reconciled the lives of many people this year because of this revelation and tonight, God will reconcile your life, God will affect your situation and God will change your infirmity and take it away. If you believe God on this Sabbath, the Sabbath shall not finish before your sicknesses disappear completely, your debt problem will be taken care of, the problems in your families will be taken care of, indeed anybody who has difficulty in reconciling his situation, this year, the Lord of the Sabbath will step into it - because I have seen Him do it for me!

**Opening Prayer Time**

America is like Hezekiah. Both wanted peace in their own time, without regard to the cost for their children.

- Both amassed a great fortune, both followed God.
- After 9/11 we said, “This is good,” but went back to church for only a few weeks; our children now die at the gates of Babylon.
- We are a country at war and need to cry out to God as Rachael cried out for her children.
- We need to repent and sing a love song to our Lord; we need to prepare for battle.

**Teaching from Pastor Kure:**

This meeting is a prophetic prayer conference, it's about the Lord moving the earth in his own direction, shifting, changing the glory of the earth, establishing the earth as His high place. It's about the kingdom of God and the power of God. Here we just want to let God rule and reign on earth. We will do intercessory prayer and intercessory praise.

Intercessory prayer: you ask and then you receive, you reason with the Lord.

Intercessory praise is prophetic lamenting cry, where you are asking God for something but through praise. In lamentation you don't ask directly, but say “Oh, how are the mighty fallen.”

**Scriptures: Job 38, Revelation 11**

There is much confusion in America because of the curses of other nations. Years ago I began to warn America that there were men and women who prayed every Friday, who stand before their god cursing America. From all over the nations of the earth, wherever Muslims are found, extreme Muslims, they open their Koran to curse America, especially from Thursday night through Friday – Friday is like their Sabbath day, they spend the whole day. They understand the issue of warfare. They use the sun & moon and all kinds of things to curse America. And we just sleep on and wake up and go on and do not hear.

One of the primary purposes of America is as a protector of Israel. If anything goes wrong with Israel, God will hold America responsible. America is a primary watchman over Israel. Only America can expose the wickedness of Israel, no other nation. God has handed over the soul of Israel to America. America is supposed to be the instrument to hold back the hand of Satan in these last days.

Among the lives of nations, America plays the role of the Holy Spirit, of He that allows. America is supposed to be the conscience of the nations. It is to play that God-given role. The Holy Spirit is He that allows. If America, who should be the standard-bearer among the nations of the earth, is confused, then it means that there will be a lawless world.

“Holy, holy, holy, Lord God almighty, early in the morning our songs shall rise to Thee. Holy, holy,

holy, Lord God Almighty, thou in three persons, blessed trinity.” I want us to link up our hands, not raise up, link up your hands – sing this song again over our nation, America, over our families, as we stand before the Lord and ask Him to open His gates this morning, unto us and this nation. We want to raise an altar that speaks for America, that breaks that spell of confusion, that holds back the hand of the enemy. God says that through ordinary men, supernatural things happen, men who in their generation will not let Satan have his way. There are men in our generation who will stop the devil.

The confusion of America is what is giving China power now to take over. China is fulfilling prophesy. America must not lose its place for the hour for the world government is not yet come. China is supposed to help establish the one world government. China is supposed to be anti-Israel, eventually, pro Arab. In the Sudan the Chinese government has sided against the people who have been killed there. It is backing the Sudanese government against the people who have been killed there. The last time the UN took a vote, China refused to vote because it was backing the Sudanese government. When the nations of the earth voted for peace in the Sudan, China voted against it.

There is a corruption coming upon the earth.

**Corporate Prayer:** *Father it is because we know you and your word, that we come here this morning. We invite you to come now and take over the loins and the four winds and the powers and the foundations of this nation. Today, begin to shake out all the evils and spells that have been cast over this nation. O Lord, shake them out! Destroy to spell. Cut off the Spell! Command that the spell over America be broken. Let God restore America back to its duty to Israel. There must be no confusion or contradictions. Its work to the nations, its focus, its calling, its mandate to the nations must not be lost. Restore our mandate. Release us and restore us back into its mandate. Break every spell of Islam, we come against them in the name of Jesus. We break their powers and destroy their principalities. We break their spells from the Arab world, from Asia, from Africa, from Russia, from the middle east. We destroy their powers. Satan, the Lord rebuke you. We bind you in the heavenly places. We cast you down in the name of Jesus. O God arise, let God arise, and let his enemies be scattered.*

*Heavenly father, this morning we pray you, restore America as the land of refuge, the refuge of the nations, the refuge of the nations. Restore America, as the land of Glory, the glory of the nations, the glory of the nations, in the name of Jesus, we receive America today from the throne of grace as the gland of glory and the land of refuge. America, America, hear the word of the Lord by my mouth this morning, receive now your healing, your deliverance in the name of Jesus. AMEN! Hallelujah!*

*“Jesus, Jesus, precious Jesus, O for grace to trust you more. O for grace to trust Him more.” Now father, according to the cry of America and Americans this morning, let the angels of the four winds interfere now, you angels of the four winds, come forth now. Interfere now, in the affairs of America. Let your wind blow. Let your wind blow. Let you.. let you. .et your wind blow! Let the foundations be corrected, be healed. I prophesy. The foundations be healed, the foundations be healed, the foundations be healed in the name of Jesus Christ. Thank you for this healing. (Let's give God glory for the healing.) Thank you, God, Thank you for the movement that I see. Thank you Holy Spirit.*

**Prophecy:** *I hear the Lord say that there are fires that are burning in America, that he is going to come back and turn them from destructive fires to refining fires. I hear the Lord saying I will turn them into a rainbow, & from them I'll begin to correct, I'll begin to change. I hear the Lord say, There are some people in government who are going to be taken away and that will be a sign. I hear the Lord say, Within the next 6 months, there are people in government that God is going to remove and replace and that will be a sign of the corrective surgery that God is doing over America.*

## **Presentation by Bishop Brown**

### **Theme Scripture: Acts 1**

There are three levels of prayer. The bible tells us to ask, to seek and to knock. The first level is to ask, as of a sugar daddy in heaven, gimme, gimme. Then we move out of that level into the next, seeking – seeking God for the needs of others, for problems beyond ourselves. The third is the place of intercessors, the knocking, staying in prayer until things begin to move, to shift.

Where is the Church in America? The church in America is praying. Sometimes we don't hear about the prayer, but it is happening.

**Psalm 116** The Church in America should be the seedbed of raising up deliverers, not just the place to come to be delivered. The church should raise people up to be responsible. Prayer brings us into a place called stature with God. Men have status depending upon education and financial level, status among men. But stature comes from God, from having a relationship with God. Things happen in the natural just because you show up, when you are in a place of stature with God. When Moses lifted his hands, Joshua prevailed in battle. When you have stature, every natural action brings about a spiritual result. When you have a prophetic person or apostolic person ask you to do something, it is important to do it, because what's happening in the natural represents something happening in the spirit realm. This is not manipulation, but when God is moving in a certain type of way, he often uses demonstrations in the natural to impact what's happening in the spirit. It's time for the church to press into prayer in the place where things will happen. The morning prayer this morning caused some things to shift in America, a results of pressing into a place where what you say and do has an effect on the atmosphere. Just being you and standing and connecting to heaven will create action in heaven. If you have stature with God, just stand and do what God has called you to do.

When Jesus walked into a city, all the demons began to manifest. Not because he commanded them to do so, but because he was there. Jesus prayed, and the heavens opened up. When is the last time you opened heaven? When you do something here in the earth you should have an impact in the heavens. When you come into contact with heaven in the right kind of way, it impacts heaven and ultimately impacts what happens in the earth.

Jesus is the head of the church in America, and we are the body of Christ in America, the church. Because we are in the place of abiding with Him, everything He does we do and everything we do He does.

Last night Apostle Kure spoke about the number 7, representing the clashing of the sword, representing completeness, and it also is representing the extension of the sceptre. 07/07 happens every 1000 years. Since the day of Jesus, we've only had 3 – when Jesus was a child, 1000 yrs later and this year. 1000 years like a day. Jesus rose on the 3<sup>rd</sup> day, his work was completed. And he is bringing us into that same place and that same representation he was in. On the 3<sup>rd</sup> day He was resurrected to give life to the church. This year, visions and purposes will come alive again. The 7 sets the tone for the next 7, as Apostle Kure said last night. You have to begin to move when God is encouraging you to move. 2 Cor 6:1 If you don't live in grace, you will walk in dis-grace. If you don't judge the world, the world will judge us. If you refuse to stand, a stand will be made to prevent you from standing. The law in Canada prevents preaching against homosexuality, and that law is trying to come to America. God has brought us to his set time, when the God outside of time steps into time for his own purpose. This move must be sanctified by grace. God is sending a special anointing for the harvest. You don't do righteousness to be righteous, but God makes us righteous to do righteousness. God is trying to bring us into the greater understanding of grace to bring in the harvest. There are a lot of ministries that are falling, because

they got outside of the grace God gave them to get their job done. God makes us for special assignments. These types of apostolic meetings are designed by heaven to let God shape you, to put the necessary thing inside you so that your assignment can be completed in the natural realm. God is doing something in Tallahassee and across the nation, in many states and cities, because God is up to something in America. God has not thrown us away.

We are not made for the past – we don't fit in. We are not made for the present – we can't stay in it. We are made for the future. We can shift into the now of God, where God sets an appointed time to step out of eternity as he gets ready to do something NOW. God doesn't have a past or a future, He is in the Now. **Rom 4:7** says call things that are not, as if they are. You can call things that are planned for the future, right now. You can plan things according to the will of God, right now.

**Heb. 4:1-12** God is wanting us to enter into His rest, he's going to show us how to continue what he has called us to do and not be under the stress and burden of doing ministry that we have experienced during the past few years. You have to break yourself from what you are doing in your own strength. You have to seek God's way, let Him direct your path rather than rely on your talents and skills.

This is the year of the sword. The word of God is sharper than any two-edged sword. The sword has come. We must have a spirit of discernment in the last days because the spirit of deception is a spirit that enters in. God has given the Word of God, which is a sword, and it cuts those things off. God wants us to grow, to grow with milk for a season and then to grow up. Babies can have exciting services. Milk makes bone and meat makes muscle. The devil doesn't fight against bone as much, when you take on meat then the warfare comes. Even in worship, sometimes we just cry and cry and cry and we wonder why lives don't change when people seem so sincere in worship. But crying doesn't involve muscle. We must shift from the pattern laid by religion and the tradition of men because their truth was limited. Jesus' commission was to go into all the earth with the gospel rather than go within the four walls of our churches and wait for Jesus to come.

There is a spirit of segregation rising up again in America. We have to learn to appreciate one another. Satan is fighting to keep the Body of Christ apart.

Jesus' pattern was to pray all night or get up early to pray. Jesus mentioned the faith of the Syrophenecian woman, which brought her into covenant with God, and He healed her child – bread and crumbs have the same thing in them – she was willing to accept the crumbs that fell under the table if she couldn't eat the bread on the table put there for the people of Israel.

God is a now God. Faith brings you into the now. What happens does so with the permission of the intercessors.

Prayer affects the atmosphere. When you pray you shake the kingdom of the devil. He may show up to see what you are doing. Don't worry about it. Let me encourage you today – there is a pattern from scripture. Don't deviate from the pattern. When you find the pattern, walk in it, because that's the pattern. David was bold enough to follow the pattern. He was trying to bring the Ark of the Covenant back into Shiloh. The oxen stumbled. There will be a place when you have to make a decision, to go down the old path, into Shiloh, or down God's new path into Jerusalem. For over a hundred years there was worship in Shiloh and in Jerusalem. Empty worship in Shiloh, the priest & altar & sacrifice were there but the ark, the representation of the glory and presence of the Lord, was not there. It was in a tent in Jerusalem. Only the priest could enter, traditionally, in Shiloh, and in Jerusalem the ark was behind curtains that could be seen by all. God is bringing us into a place where He is not limiting us, but God

is bringing us to a place where He is opening us up to the masses. It's world evangelism. When God is leading, it is time for the harvest to come in. Let's pray for the harvest.

**Prophecy:**

*This year, visions and purposes will come alive again. This 7<sup>th</sup> year will set the tone for the next 7 years. This is the year of the sword.*

**Pastor Kure, at the close of the morning session:**

Without you, God's work cannot be complete. And that's why God must put us in our proper place. From this evening, God is beginning to draw us properly to stand in the holy place.

**Prayer:**

*This afternoon, Lord, set a pattern for us. In the evening take us to Patmos, the place of revelation. Let there be change of garments, let the glory come. Tell the Father, take me to Patmos, take me to Patmos, let me receive a revelation of myself and a rev of you. Let me see how you see me, let the glory come to you. Build in me an church that cannot be broken, I receive grace today. Thank you Holy Spirit. In Jesus' name. Amen*

*My father, I ask that you take us from this place and glorify your name. Let a change of garment begin. Let the glory come to you. Let the change to our nation, America, begin. Thank you for doing this for us. We give you all the glory and all the praise. In Jesus' name. Amen. Amen.*

He read **Exodus 21:1-2 (kjv)** and set such judgments accordingly and declared that regardless of the root causes of your infirmities, in this year of the Sabbath, the Lord will settle them in your favor!

Regardless of the causation of your infirmity, even if they are of your making, in this year of Sabbath, the Lord will settle them in your favor and so the seventh year is not only for the rest of the land, but also for man. So the seventh year is supposed to bring rest to man and not just the earth and thus, you must take a sacrifice of rest to the Lord tonight and place a demand on the throne of Heaven for rest because you have a right to rest this year.

Pastor Kure further indicates that there is a new wind blowing in the Spirit – even in the church. Last year September 23<sup>rd</sup> [2006], something happened and we are approaching another September and a new year is about to begin in the Jewish calendar. But last year, something happened when the Jewish New Year began, two other new years began along side: the first was the Islamic one (the Ramadan fast began the same day the Jewish New Year began last year) and that same day, in the U.K. [United Kingdom] at Stone Hedge, where Wiccans and witches annually gather to worship and celebrate Satan, conveyed their annual week-long gathering and call upon Satan. The question that needs asking is: How come these three (3) major covenants will be starting their new year on the same day for the first time in history? But in the Hebrew calendar, 5657 (September 23, 2006), translates as the “clash of swords” – tells us that God foreknew that on this day, three covenants will spring out from the ages past, ancient altars will spring out and will be renewed on that day. This tells of a count down going on, a competition to take place, a clash in the making. For these three to manifest on the same day – means that something is about to happen that the world is oblivious of and does not know and God revealed to me that since that day, America has come under the attack of these three powers. Have you not noticed that since this year began, that things concerning Israel, Islam and the rights of the heathens have dictated and consumed government policies and efforts in America? And have you not noticed these same three are choking the church; they are taking over and influencing the church? There is a lot of liberalism that is in the church that has never been before now. There is a strangulation of the destiny of America under these three powers - where is America now?

**(Prophecy)** *The Lord told me this morning that some of the remaining major voices in the church will be attacked by hell, the devil will do all to find flaws and put holes in their testimonies and this shall be between now and the coming summer, there will be a new wave of attacks against the elects that do not have any holes in their testimonies; and my question was why Lord? The devil is working to again sweep away the elects like he did in the beginning, so be watchful when you speak in self-righteousness, because the devil is setting you up for a fall such that when he (the devil) cuts you down, it will break the heart of the church. The church in America needs to learn humility and brokenness.*

Reading from **Isaiah 27:1 (kjv)**

**(Prophecy)** *Pastor Kure declared that the Lord told me that this year is the year of the punishment of Satan – this means that Satan shall be publicly disgraced in our lives. The Lord told me that these three altars that came up in September*

*2006, that Isaiah 27 shall be the key in humbling the other two – for a sword shall come forward to deal with leviathan, because leviathan is behind the other two altars – both the altars of Islam and of the Wiccans and witches. He further declared that the Lord has said that if He [God] can find Christians with pure hearts who can raise a cry, things will change. This is why God is saying we should go back to the bowels of the earth, to the foundations of the day and that is why **Job 38:12 – 13 (kjv)** commands us.*

In Job 38, God had asked Job: have you commanded the mornings since thy days, meaning, since your birth, have you taken the initiatives to wake up early in the morning before the sun comes out around 5:00 a.m. or 5:30 a.m., just to lift a praise and go into spiritual warfare, have you ever woken up early in the morning to command the day and to instruct the day to what the expectation of the Lord is for that day, that is what has been spoken by the Lord concerning that today? If you have not done that – you must use that morning hour prayer to reconcile your foundations, the foundations of the nations and release the sword of the Lord to humble and punish leviathan. Does this make sense now?

America has shifted from its program, both spiritually and physically. There is a need for redemption, not just for the church, but for the people in the Church. There is a need for the redemption for this nation. America is not where it should be now! America has deviated from its vision, the church is deviating from its vision, from its mandate and do you know why? It is because of pressures from these two other angles [Islam and the heathen influences], it is caught-up in the webs of these angles. Islam is making America break away from its covenant in its efforts to meet Islam in the middle and the witches and their witchcrafts are taking a new form and are even using the church now as instrument. This is the new form witchcraft is taking now – using the church as instrument and that is why the morning cry must come. The morning cry is the foundation of the morning, the day starts from the morning and so you must use foundation to speak to foundation, you must wake up early in the morning to command your foundations to be corrected and command the foundations of the nations to be corrected, and you must speak to the foundations of the church! Start to wake up just for thirty (30) minutes daily, between 4:30 a.m. through 6:00 a.m., to pray, prophesy, sing or do something for these thirty minutes before the sun comes out, praise God for foundations, begin to call forth foundational changes, speak to America, and speak to your life.

*Closing prayer: Heavenly Father, on this day of Your Sabbath, on this year of Your Sabbath, I ask for the reconciliation of all things in my life, in my house, in my private life, in my public life, with men and with spirit, and with my environment. In the name of Jesus, I decree and declare the reconciliation of all things, I accept the reconciliation of the Holy Spirit. On this year of the Sabbath, I open the gates of my house and I prophesy a reconciliation between the God of the heavens and the earth, and my destiny and my nation, Oh God arise and let things change now, Oh God arise and let the altars be rebuilt again, Oh God arise and let America be released, Oh God arise and let the fire fall upon the churches, open the pulpits in the altar of my heart and let the fire fall, let your fire fall – in the Name of Jesus!*
