

INSTRUCTIONS FOR CLOSING THE YEAR

The Lord has commanded us through Apostle Kure to ensure that we close the year by building two specific altars. The Lord told him that He wants to do a new thing in our lives. He said: “to move men from glory to glory and gate to gate, I demand an altar upon which I will stand to manifest my pre ordained intentions in the coming year.” It is an ancient way, a divine order.

Taking a cue from Revelations 8:4-6 where the prayers of the saints were answered from the altar of incense, the Lord said that as we build the altars He will raise voices, thundering, lightnings and earthquakes to speak for us. Please note that earthquakes bring adjustments. Next year, God will resituate us. He will release Angels to sound our release, our prophecy. Their sound will make our deep speak back to the deep of God and by this, every depth in us that is not working out God’s righteousness will be lifted away permanently. The Angels will trumpet our shiftings.

Beyond this, the Lord told us that those who live in the fear of Him will He build houses for like He built for the Hebrew women in Exodus 1:15-21. He vowed to smite messengers that are appointed against those who fear Him. Just as Pharaoh could not smite these Hebrew women, so will the Lord defend us by casting fear upon those who seek to hurt us.

It is important to note that these midwives were ordinary people. They were not believers, but because they feared the Lord the Lord Himself, not man built them houses. He gave them the portion of sons. The secret behind these midwives is that they stepped out of the barrier of fear of Pharaoh and put their fear in the Lord and they got what they did not bargain for-divine blessings. God will bring us in 2012 out of the shadow of fear so that we can achieve His divine will.

From Jeremiah 50:44, the Lord declared that He will appoint us as Lions that will slay Babylon and the dragon. He will anoint those who ask Him to give them mountains to bring down with all the spiritual and physical wherewithal. Ask Him to make you one of the chosen. He will use these chosen ones to humble Satan, his

structures and spirits that work with him. To such saints He will give seasons to turn around. Please find below the two altars. Make your requests known in writing and bind them upon the offerings and pray over them. Anoint them and break bread as a seal of the covenant.

ALTAR 1 GENESIS 33:20

EL-ELOHE- ISREAL-God of Israel

1. By this altar will God stand upon to fulfill these promises in our lives.
2. By thunderings, lightnings, earthquakes and voices He will defend us and birth His promises to us. Just as the prayer of the saints was answered from the altar of incense so would He answer us by ensuring that the pre ordained for our lives is fulfilled. It will invoke the promises over our lives to be fulfilled.
3. It will shut up the mysteries of darkness that has locked up our portions and make the angels to trumpet our release. In us will the ancient promises be fulfilled like that of Abraham was fulfilled in Israel.
4. He will unveil to us secrets that will personally change us as individuals.
5. This altar will watch over our lives, His promises and prophecies in 2012 as the Angels sound over us.

ALTAR 2 GENESIS 35:7

EL-BETH-EL – The God of Bethel

1. By this altar, we will consecrate our businesses and jobs, and ask for God to bring us to a land where no one will strive with us.
2. It will consecrate the place upon which God will bring the blessings. It will release the horse that God will ride upon to fulfill His purpose in our lives.

3. He will build us houses like He did for the Hebrew midwives as we build these altars (Exodus 1:15-21).

4. He will give us platforms upon which we will slay dragons and destroy Babylon (Jeremiah 50:44)

Bring your sacrifices with written requests that revolve around personal promises He has made to you that have not been fulfilled. Bring also your desires.
