

Praying Guide for December 28th to January 3rd 2012.

FAST OF CONSECRATION

1. **Psalm 90:12** says Apply your heart unto wisdom. One of the great wisdoms of Scripture is giving thanks to God. Spend a greater part of your fast in the first two days to thank God for the year. Reflect over the year and number to Him His goodness in your life. Please note that the bible also says it is the living that have hope. If you believe you do not have anything to thank God for, thank Him that you are alive and therefore have hope. Remember also that tribulations and trials are part of life but He promised us that we will overcome because he has overcome. So be of good cheer. Read Psalms to Him and praise Him.

2. **Ezra 8** teaches us that Israel took out time to pray and fast to inquire of the Lord a way for themselves, their children etc. A great aspect of this fast should be spent laying issues before the Lord and inquiring of Him a way. Review your life with Him, bringing to Him the burdens that surround you and ask for personal direction. One very way of doing this is to pray conversationally knowing that He hears and will answer you. Please number the issues to Him practically telling Him your challenges, fears, confusions in all areas of life and ask Him for a way, a wisdom and an action you must exercise.

Remember He is the custodian of all secrets. It is His privilege to conceal matters but it is our honor to inquire of Him, and the promise is that He will liberally oblige us. He promised that if we seek we will find, if we ask anything in His name He will answer.

3. **Genesis 7:11 & 12** describes the nature of divine harvest which God in 2012 has ordained for the church. The deep will He open and send forth blessings like a flood to the righteous church in this cycle. He will unlock the heavens and cause the hidden and preserved millennial wealth to come to the church. Theirs is a wealth and provision of riches which is preserved by God for the elect among the elect. This wealth cannot be assessed by Satan and his harlot that rides on the beast or the hordes of witches that work for him. Ancestral spirits cannot tamper with it neither, can the cunning craftiness of man access it or abort it for the elect. The release of these in the beginning foreordained wealth that will make us lenders to the nations and be tops and not tails will begin aggressively in 2012.

This rain of heaven is a prophetic sword with which God will build battering rams against the devil as the tides change from 2015. Its carriers will be fortresses or cities of refuge for the kingdom of God against the kingdom of darkness. It will be wealth with a mission and it will come to those who understand the times and seek to be agents of His divine will not their will. Consecrate yourself and the year to bring this to pass in your life. Enroll by telling God like Isaiah, "here am I send me." By a vow, that if He accepts you, you will obey His directions and not be high minded nor live lustfully, tell Him to enter a covenant of millennial blessings that has been foreordained for now and the future. Ask for wisdom and for eyes that can see and a heart that can comprehend beyond the now and the ordinary. Ask for an administrative grace to manage

and distribute this wealth to His glory. It will be a rush of God from heaven, a three years agenda of God manufacturing great men of wealth who are full of His Spirit.

4. Job 23:14. Ask the Lord as you consecrate the year as the year of divine fulfillment to open His Hands to release unto you the many things appointed for you that are with Him.

5. Ecclesiastes 3:15. 2012 is appointed to bring generational blessings in the mould of the past giving back what it has held back from us so that our present can be set to accommodate the future appointed for us by God. Let us use this scripture to insist that by covenant this must be fulfilled. Remember this is the year God has promised to re situate us.

6. Luke 21:22. The 12th year is appointed to witness an increase of the fulfillment of things which were fore ordained by God. It is the year of "as it was ordained in heavens so let it be done on earth." Invisible beings will contend for the will of their Master in the domain of men. It is the year of the congregation of the mighty, but God and His innumerable thousands of Angels will ensure that Satan and his army are overturned. They will go on a vengeance mission against all that stand against God's prophetic agenda. Since we are all written books that must be fulfilled, we must ask that the year 2012 follows this divine pattern of vengeance so that your destiny will be fulfilled. On your own, ask the Lord to show you what seems good or is good but has to go now so that the perfect can come.

7. Ecclesiastes 9:13-18 A summary:

Study of these verses shows that wisdom is a principal thing. We cannot ignore the events in our nation and the weight of responsibility this has put on our dear President, Goodluck Ebele Jonathan. Let us pray and ask God to give the President wisdom to overcome the numerous challenges we are facing as a nation. Target Prayer for Ministries like Petroleum, Finance, Transport, Aviation, Power, Education, et cetera. Commit the power projects to God in prayers and the issue of fuel subsidy. Target prayer over the Boko Haram issue (the terrorists bombings) and insecurity in Nigeria. In all, ask for a wisdom that will solve these challenges or manage them beneficially. Pray for your peculiar national problems.
